

adley thanksgiving hand turkey

1. Cut each piece out.
2. Glue the light brown piece onto the turkey's body.
3. Glue the feet on top of the body pieces.
4. Glue the head above the body with some overlap.
5. Glue the red turkey wattle onto the turkey's head, the smaller end of the wattle should be about in the center of the head.
6. Glue the beak on top of the wattle and head.
7. Glue the eyeballs onto the head above the beak.
8. Arrange the hand feathers so they fan out behind the turkey, and glue the turkey on top of them.
