

glue here

adley decorate a snowman puppet

1. (Optional) Color in your own decorations on the snowman. If coloring your own decorations, this step should be done before cutting the snowman out.
2. Cut the snowman out.
3. (Optional) Cut out decorations on this page and glue them on to your snowman however you wish. If using printed decorations, this step should be done after cutting the snowman out.
4. Once snowman is complete, glue one end of the rectangle to the other so it creates a circular bottom and is able to stand up on its own.
