

adley snowflake cutout

1. Draw your own design to be cut out later in the specified section. Alternatively, you can also free hand cut the design out in a later step.
2. Cut out the square.
3. Fold the square diagonally in half to make a triangle.
4. Fold the triangle in half again to make a smaller triangle.
5. Fold the left section of the triangle towards the back, then repeat with the right section.

6. Cut away the pre-drawn design or free hand cut your own design on the folded triangle.

7. Unfold the triangle carefully to reveal your snowflake!

Cut out your own design in this section
